Annual DNE Membership

Our strength lies in our members. Members' efforts, desires, visions and input allow our all DNE activities to thrive. Benefits include the opportunity to be an active participant in decision making, to offer goods and services at Camp, and to receive member discounts for DNE events. We ask for a work requirement to strengthen our DNE community with your energy. Becoming a member is a concrete way to demonstrate that DNE is important to you. If you are not coming to camp, use this form to renew or become a DNE member. Membership is an annual commitment, so renew each year!

Adjustments

The average camper pays

\$57 a day. However, nobody

Knows your life better than you.

We all make choices around earning money, contributing to our vision of a

better world, and meeting our responsibilities. Adjust your daily rate upward based on assets or downward based on responsibilities.

Consider what DNE means to you and pay the amount you feel is appropriate.

Registration Changes/Substitutions

If you change your registration, your fee will be calculated using the fee schedule in effect on the date of the change - NOT the date of your original postmark. There are no substitutions at all, even between members of the same family.

This is how you will appear in the DNE mailing list & directory.
 If you do not want to be listed in one or both, or have some special request, contact the registrar.
